STFC cannot be held responsible for changes of date due either to postponement by weather or fixture congestion due to cup competitions - the above dates were correct on 1 July 2023.

You can confirm these dates and their kick-off times throughout the season by checking either the STFC website, or our Facebook, Twitter and Instagram feeds.

Saturday games usually kick-off at 3pm although recently our winter games are a 2pm kick-off - Wednesday evening games have an 8pm kick-off - but, again, please check our social media for any changes.

We look forward to seeing you at Seafield Park.
